VOICE OF KIDS INITIATIVES GENERALISTIC PHASE :

The voice of kids team has started the third stage, where each one of them will be the “young journalist” as they used to be called after all the practices and the investigations they do. Due to this phase the children will learn how to be a journalist and to be able to write in a professional way recognized among the official journals, which our aim is to build their critical thinking to the media and the matters related to their realities.

FESTICLOWN FESTIVAL:

Human Supporters Association collaborates with the Festiclown (Rebel clowns) to conduct the huge festival in Palestine, and that was after several trips of Ivan Prado and the Festiclown in Gaza and Cisjordania, Pallasos en Rebeldia (Rebel Clowns) and Festiclown decided to work with local Palestinian entities to bring the Festiclown into Palestine, and more than 50 artists as messengers of hope and fraternity in this land. An army of red noses against the military occupancy of Israel and fighting for the humanity with laugh and clown noses as only weapons, they are visiting Ramallah and Jerusalem from 1st to 15th of September. In Nablus, during Al Eid in Jamal Abed al Nasser – open theatre / three shows for the public, many people came and had a wonderful time during the shows as many other shows in the camps, old city and villages were presented.

PUPPETS THEATER

As the children used to, they are preparing their own shows, those many different interesting shows will be presented for the children in a couple months, and they are .having the best time with their little puppets that they learn to speak with

INTERNATIONAL DELIGATION:

Many European delegations have visited Human Supporters during July, (Italian, French, Spanish, and also from many other nationalities), as usual we have offered them a tour through the old city of Nablus, and we introduced them to what the old city suffered since the invasion in 2002 until the present. Mr. WajdiYaeesh the director of H.S.A was their guide in every tour. As we presented Human Supporters history and activities that all were based on the suffering and the influence of the occupation
