WINTER CAMP

During the short school holiday, HSA held a winter camp 2020 for 30 children aged 7-13 years for 10 days, we target many children, some of them have learning difficulties and psychological problems and hyperactive.

Winter Camp

The camp included different corners such as "hand craft, music "play drum", Dabkah dance, shadow theater, Challenge games, cinema, computer lab, also we cooked for them Healthy meals for breakfast.

Through this camp, we did meetings every day with children to evaluate their day " what they like \don't like, what is the most activities want to do it again " this way is good to do for children's to don't feel bored in the camp, also we can discover some of their talents and try to develop it, they went to make historical tour in the old city and visited some famous places there.

At the end of camp, we did small party for children to celebrate together, and they played their favorite games, danced dabkeh, sang children songs, then they got certificate and small gift, and we wished a good luck in their school.

It aims to learn new skills, and practice several of educational and recreational activities, have a good friendship, spend useful time in their school holiday.

Training “Dabkah Dance ”

HSA is continuing Dabkeh lessons for children aged 7-12 years one day a week by "Tala trainer", they come after school at 2:00 pm

At the beginning, the children learned the basic of Dabkeh since one year ago, then they started creating some movements with their trainer and chose some songs that suits their movements.

When some delegations visit HAS, we welcome them by presenting some of shows for " traditional Dabkah dance " by children, and they did some shows in a special event such as " voice of freedom ", now they started to create new movements with their teacher help.

This training aims to teach the children how to create an artistic work by dancing on various songs, also it motivates the children and encouraging them to develop their skills, and how to live in groups, it allows them to discover their talents and developed it.

Activities for volunteers in “HSA”

HSA provides some activities for all volunteers, every Thursday at 2:00 pm, they meet together to practice some educational and recreational activities, such as: music, games group, also they met and ate lunch together and spent nice time before their schools and university start.

This meeting aims to make a good friendship, learn new skills, and practice several of educational and recreational activities, find a safe place to spend their time in a useful way, and participate in some activities held by HAS.

Italian Delegations

Our Partner "Assopace palestina" welcome in Palestine

HSA has welcomed two Italian delegations this month, first group was 50 persons with Luisa Morgantini from "Assopace palestina", and second group of 17 persons. We introduce them to the association through some short videos, then some topics about the association had been discussed with them such as the activities we provide to different groups of the society.

We welcomed them by presenting some of shows, such as " traditional Dabkah dance " Done by children. At the end all the group joined dancers and had lots of fun. After that, we accompanied them to have a tour in the old city of Nablus in order to show them the historical part of Nablus and have a true story about the real situation.
