EU Aid Volunteers
We Care, We Act

Through The project “**SHARE**”, that is deployment project aims at supporting Non EU partners with humanitarian expert volunteers to work on their local projects and help their beneficiaries

We had SHARE online meeting with all partners on 17 of December 2020, to have feedback and update about the situation in the countries about Covid-19 and the next steps.

FESTICLOWN

REFUXIANDO ESPERANZAS

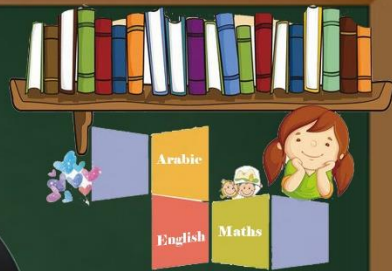

20
AÑOS DE RISAS REBELDES

Activities of FESTICLOWN.

HSA in a partnership with Pallasos en Rebeldia, Kanbahiota, the youth of Rivas Madrid and the Municipality of Rivas Madrid", implemented "entertainment shows" for children aged 6-13 years old, to complement the activities of FESTICLOWN 2020 in November and December. We held many shows for the children in the schools, kindergarten, HSA center, in the old city, and in addition to some of shows held online in our page in "Instagram "because of the emergency situation in Nablus city, by clowns from HSA and Be-active group, they did a lot of activities for them such as: clowning game, play with parachute and balloon, jump with rope, dance, and sing children songs. The aims are to draw the smile on children faces, and express their feelings, so we took all the health and preventive safety measures to implement it in a safe way, we hope next year can to implement FESTICLOWN activities with our partners together in Palestine.

School support project 2020

SCHOOL BUS

School support project 2020 " is one of the important educational project that HSA provide it for children aged 7-10 years old, the children come after the school at 2:00 pm in HSA center for three days' a week.

During second semester of implementing the project, the teachers followed non-academic way, and try to improve their educational level by using some materials that facilitate the student's understanding of the explanation easily in the three subjects, the teachers are noticed improvement in their educational level through the exams.

We are happy to see the result of the project for the children, now the children know the alphabet, able to read and write.

The project was completed by small graduation party for them, as a reward for their commitment and the noted improvement in their educational level, some of the activities was done such as: singing children songs and dancing Dabke, they had a great time, and wish them the best from HAS.

workshop

for children
"Hand craft"

HSA continued to hold workshop "hand crafts" for children aged 7-11 years old, every Tuesday at 2:00 pm in it center after the schools.

During December, the children learned and created many things about the art such as: created garden with a lot of flowers by different materials, and they expressed their feeling when they drew a beautiful painting by their favorite colors.

This workshop is very important to provide it for the children, to know about the art, discover their talents, it help them to express their feelings and spend useful time to get new skills. We love our children and we care about them so we took all the preventive measures to hold it in the safe way.

Exchange through youth FESTICLOWN online training 2020

FESTICLOWN Palestine, it's Festival started during the year of 2013 in partnership between HSA and Pallasos en Rebeldia, and since that time we use to make it every year.

This year we implemented with our partner (Pallasos en Rebeldia, Kanbahiota, the youth of Rivas Madrid and the Municipality of Rivas Madrid") exchange through youth FESTICLOWN online training, during it we discussed many subjects about culture and traditions, learned new skills and developed it.

We concluded this training through meeting that all the participants drew special paintings together, it expresses a specific topic that each team requested.

We hope to welcome our partners next year and implement FESTICLOWN 2021 in Palestine

HSA continued to hold Dabke trainings in December for children aged 9-13 years old by the "trainer Tala" in it center, the children come after school every Thursday at 2:00 pm, and we took all the preventive measures to held it in the safe way.

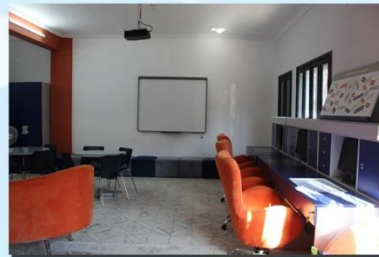

Scientific technological Lab Project

In Partnership with Al-Nayzak Association, Human Supporters Association created a special room for Scientific Technological Lab in its center, it was donated from AL- Nayzak Association.

All construction work has been completed at HSA center, now the lab is ready, so we will start teach some of computer programs for children and youth, women, and develop their computer skills, as well to use it for scientific and technological aims.

we are grateful and thank them for their donation and hope to use it in the useful way for the society.

VOLUNTEERS of HSA

Special thanks for our partners and volunteers

HSA is one of the associations that provide a lot of activities, programs, and projects for the children, youth and women in a different subject.

This year, we had a lot of activities and programs, some of them is canceled because of the emergency situation "covid-19" around the world, and some of activities we were able to implement it while taking all the safety and health measure, by a group of our volunteers.

We are very proud of our volunteers and thank them for their help to implement our activities successfully, special in the difficult days and emergency situation in Nablus city.

Big thank to our partners for their support and donations, and hope to welcome them in Palestine, and wish you a happy new year 2021.

Happy New Year
