In the holy month " Ramadan", HSA coordinated with the Women's Studies Centre in a cooperation with Ministry of Youth and Sports, they implemented the "Gift of children" project for children.

This project targeted 10 orphans from the old city, and visited them in their home with the clown and followed the safety measures because of coronavirus, then they got a gift included " Sterilization materials and clothes for Eid, some of the activities was done for the children by one of HSA volunteer and draw the smile on their faces.

Civil service program voluntary in France

“Amro & Islam”

The French-International Civil Service Program, is a voluntary youth program in the service of the public interest and targets the youth aged 16 -30 year, in cooperation HSA in Nablus and CEMEA Pays De La Loire in Nante.

The project started in September 2019 and will continue until July 2020, two volunteers from HSA "Amro and Islam" joined in this program, to get new experience with children and adults such as:

psychological analysis, social development rehabilitation, work in an integrated international team in Leisure centers during school holidays, to develop their skills, which reflects positively on the individual, and society

At the end of the program, when they will come back to Palestine, they will exchange these experiences and work with methodological strategies for collective benefit within the scheduled activities in HSA .

HSA back to work

HSA back Work gradually again after the emergency situation because of corona virus, we started prepare and plan our activity for summer 2020 step by step for all our children, youth and women, also we prepared for the elections " board member" 2020, it will be in Jun, of course we followed the safety measures, we hope to implement it in the next months when the situation will be good everywhere .
