EU Aid Volunteers

We Care, We Act

Through The project “**SHARE**”, that is deployment project aims at supporting Non EU partners with humanitarian expert volunteers to work on their local projects and help their beneficiaries, we are continuing to have on line meeting with our partners to update the information about the current situation and the possibility to receive the volunteer soon by the next year.

Exchange through youth FESTICLOWN online training 2020

HSA in partnership with “Pallasos en Rebeldia, Kanbahiota, and Rivas Madrid municipality”, concluded an exchange through youth FESTICLOWN online training, we discussed many subjects about culture and traditions, which aimed to know about the cultures, learn new skills and develop it, we did some of the activities we can play it with children and teach them new games to play it in their daily life together.

At the end of the training we decided together to draw a painting mural in Palestine and in Madrid, about some of the ideas suggested by each team to draw it.

We hope to welcome our partners next year and hold FESTICLOWN in Palestine.

HSA implemented “entertainment parties” for children to complement the activities of **FESTICLOWN**, in partnership with “Pallasos en Rebeldia, Kanbahiota, and Rivas Madrid municipality”, some of the shows held at HSA center for children from 7-10 years old, in addition to another show implemented in Academy school for Students ,by a group of clowns from HSA, who did many activities for them and played together by balloon and different material.

The aims are to draw the smile on children faces, and express their feelings, so we took all the health and preventive safety measures to implement it in a safe way, and we will continue to implement another shows in December.

School support project 2020

School support project 2020 is one of the important educational project that HSA provide it for children aged 7-10 years old, the children come after the school at 2:00 pm in HSA center for three days' a week.

After two months for implementing the project, the teachers noticed some improvement in the educational level of students, when they started to try read and write, and they started understand the lesson quickly when they focus during explain it, in addition they like to do homework's.

At the end of the month, we did entertainment activities for children by group of clowns from HSA, so we are happy to see the result of the project for the students and get benefit.

Workshop for children

"Hand craft"

HSA continues to hold workshop "hand crafts" for children aged 7-11 years old, every Tuesday at 12:00 pm in it center after the schools.

This workshop is very important to provide it for the children, they can express their feeling and spend useful time to get new skills.

Every meeting the children learn new things about the art and create a great thing by themselves when they use several materials and colors.

we care about children health, so we took all the preventive measures to held it in the safe way.

HSA continues hold Dabke trainings for children aged 9-13 years old by the "trainer Tala" in it center, the children come after school every Thursday at 2:00 pm.

In the beginning, the trainer taught them the basic of Dabke then they started learn new movements to create new show with traditional songs.

The dance lessons aim at preserving the Palestinian heritage and sharing it with future generations, teach children how to work in group and developing their talent and skills.

Workshop for youth “Elections”

HSA held a workshop about "Elections" in cooperation with the Palestinian Center for Peace and Democracy Issues, for youth 18 years old in its center, several topics were discussed about it such: what are the elections? who can vote? what are the conditions that must be distinguished by a person to participate in the elections?

The aim is awareness the youth about the importance of elections and participating in it.

Music workshop is one of the artistic activities that HSA provide it for the children aged 7-10 years old in it center one-day a week after the school at 2:00pm.

During this workshop the children sing their favorite songs and teach new children songs and sing it together. The aim is discovering the talent of the children and develop it teach them how to work as a group, and work on their self-confidence skills.
