EU Aid Volunteers

We Care, We Act

Through The project “**SHARE**”, that is deployment project aims to support Non EU partners with humanitarian expert volunteers to work on their local projects and help their beneficiaries, so we will Start the interviews with the volunteers at the beginning ,of the next month with our partner **ADICE** .

we will welcome new volunteers and will join and work with us, and with special condition this time and following all the health protocols of local authorities and EUAV

Exchange through youth FESTICLOWN online training

2020

Festiclown Palestine, it's Festival started during the year of 2013 in partnership between Human Supporters and Pallasos en Rebeldia, and since that time we use to make it every year, this year unfortunately because of Covid-19 around the world we have to postponed it for next year.

So this year we decided with our partner (**Pallasos en Rebeldia, Kanbahiota and Rivas Madrid**) to continue and to go on in a different way so we started an exchange through youth FESTICLOWN online training. The aim is to continue exchange experiences and learn new skills between them.

School support project 2020

HSA is continuing to implement "School support project 2020 " for children aged 7-10 years old, the children come after the school at 2:00 pm in HSA center for three days' a week.

In this month, the teachers followed non-systematic methods, teaching by using some materials that facilitate the student's understanding of the explanation easily in the three subjects "Arabic language -English language-math", such as: use small pored for each children, paint, paces of letters to create word, some of educational and recreational activities.

At the end of this month the children celebrated for the "Prophet's Mohamad birthday" they sang some songs about it, we gave them snakes and enjoyed, of course preventive measures to hold it in the safe way.

"Hand craft"

Workshop for children

HSA held workshop " Hand craft" for children aged 7-13 years old, every Tuesday at 2:00 pm, during this workshop the children learned new things about the art in easy way to create great things, also they drew some of their favorite paintings and play by balloon together and enjoy. we care about children health, so we took all the preventive measures to held it in the safe way. The aim is children can express their feelings and learn new skills, also provide a safe place to spend their time and develop their talent.

Dabke is a traditional Palestinian dance since ancient times, and is inherited by children from their grandparents.

Dabke training is one of the activities that Human Supporters Association provides for children aged 10-13 years old, with "trainer Tala" teaching them the basics of Dabke, where each meeting is on Thursday at 2:00 Pm after the school in HSA center, and we took all the preventive measures to hold it in the safe way.

The dance lessons aim at preserving the Palestinian heritage and sharing it with future generations, teach children how to work in group and developing their talent, skills.

Workshop for Women

HSA in a cooperation with women working society held workshop for women's "Psychological protection", they discussed some of topic about how to express their feelings and solve their problems in the positive and healthy ways in the daily life.

this workshop held in HSA center and we took all the preventive measures to hold it in the safe way.
