رمضان كريم
Ramadan Kareem

As usual HAS offers a daily charitable iftar at Human Supporters Association headquarter during the holy month of Ramadan for more than 80 persons who are in need during each iftar.

also during the Holy month Human Supporters Association offered food parcels to those in need throughout the Ramadan period .

We are so appreciated and thankful to LIGUE ISLAMIQUE FRANCAISE POUR L'ÉDUCATION (LIFE) for their support

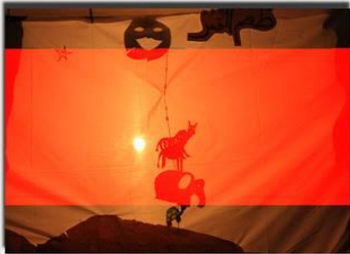

Three volunteers have participated in Palestine festival called “Festival Quartiers Libres” which was in marseille.

It was great cultural festival where they Preformed and shared with people Palestinian traditional dance (Dabkeh) , also they have met a lot of people who were very interested to know more about Palestine so they talked with them about daily lives and they Showed them some of our cultural producte like the soap that comes from Nablus.

* Festiclown Palestine *

Human Supporters Association Organized different educational activities at schools, with our partner , pallsos an rebldia from Spain.

A celebration at “khan al-wakala” in the old city of Nablus more than 500 persons attended this event.

SOCIAL GAMES

13 persons attended this workshop, some of them are social and psychology students of An-najah university, and the others are volunteers at HSA, they were introduced to new games such as “ UNO ,Chess , Qui pro Quo and Halli Galli ” .

SUMMER CAMP

school

SUPPORT

School support started at beginning of September 2015 in this time 80 kids boys & girls of age 7 – 10 years old were targeted for the program
For 4 months the kids will get classes in Arabic , English , Math in a way that can develop their educational and psychological level .

Japanese day for children

“ Japanese culture group Al – Najah university held a Japanese day for children at HAS in order to introduce the Japanese culture for children .

日本

A THANKFUL DAY

A Thankful day for the volunteers at HSA, they had lunch and new volunteers were introduced to the others, finally, the general director thanked all the volunteers and workers for their efforts .

COURSES

**These courses
were done by
EVS volunteers.**

FRENCH

ITALIAN

ENGLISH

Delegations

When international groups and delegations come at HSA there are a lot of activities Which were organized .Usually when they come the first activity is to take them in a tour to the old city in Nablus in order to create backgrounds about the situation.

After the tour, They get a lunch break, the lunch is usually a traditional one so they can feel that they are in their homes.

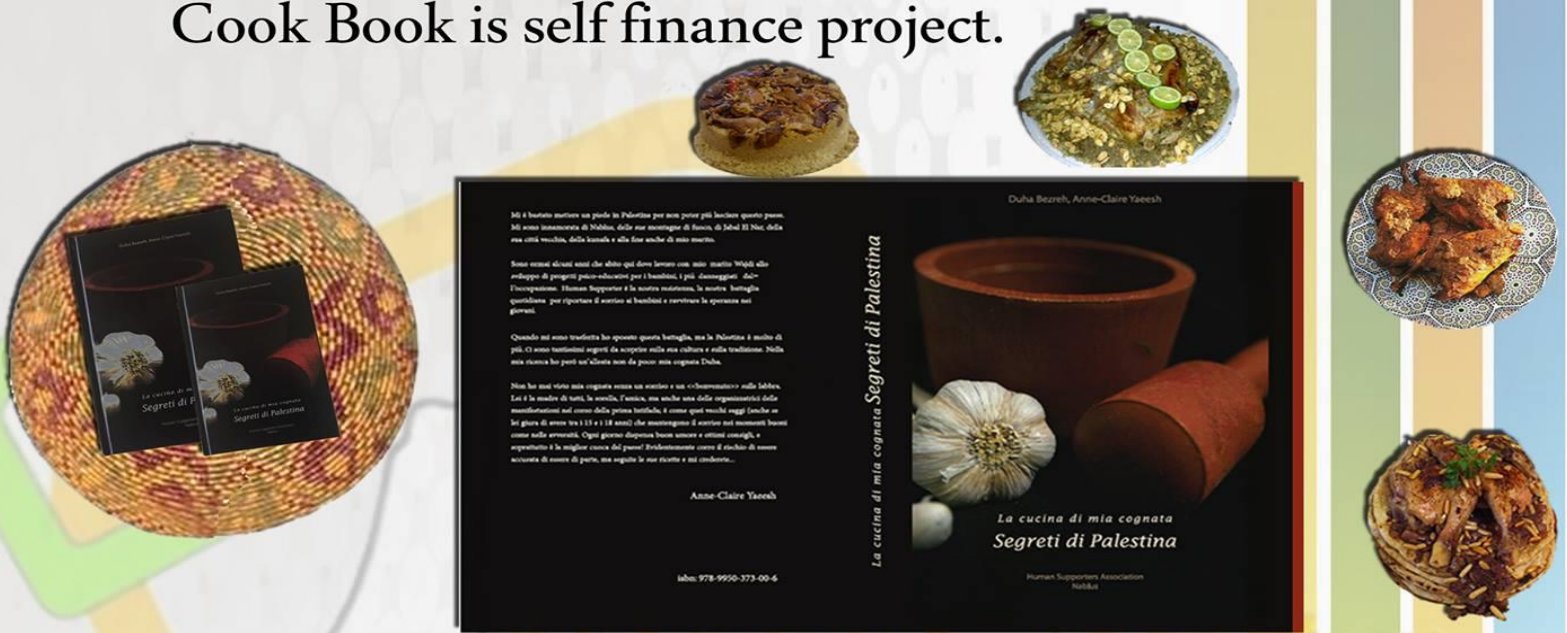

Then they will be intersted in traditional dance (Dabka) a and Hip-Hop Shows Which are Danced by HSA's Teams The fourth part is presenting the foundation of the association with it's activities, then we give a chance for the local vounteers and the delegation to exchange their experience together and to talk about whatever they want's .

It's one of the days that they can't forget it .

“Secrets of Palestine” Cook Book in ITALIAN

Also to Support the Association and its activities as the Cook Book is self finance project.

Copacity building training “BAFA”

It's a training that aims to discover experience for the workers in the social and education field. It depends on the social and educational principles. The program also relies on active learning methods that depends on the first place on the trainees as stock on the trainees as a base for development of the human cadres.

FRENCH DAY

HSA Organized the Italian and French Day which were prepared by Italian and French volunteers at HSA

In this event ,interational volunteers introduced their countrie's history cultuer ,famous cities, food and their own language. & "at the end"

volunteers offered special sweets and meals from their country.

ITALIAN DAY

A workshop in cooperation "with women studies center"

A workshop in cooperation with women studies centre, around 20 women attended this workshop titled with "violence, types and Psychological effects on woman" a video about violence against woman was showed, then a long discussion between women and the social worker from women centre

* EVS in Amman *

A group of HSA volunteers took a training in Amman for mentors this training is founded by Eramus and EU the taining is about EVS mentors and to make them understand the EVS process and to improve thier rola as mentors for more successful and productive result of EVS.

HUMAN Supporters ASSOCIATION

HSA would like to thank all our partners and all the other Organizations who cooperated with us for all different kind of cooperation.
