

Human Supporters Association Monthly Newsletter June\2014

Emergency center in Human Supporters Association's headquarter

the Israeli occupation forces campaigns and savage and violent of all the cities and villages and refugee camps in the West Bank, and arrested nearly 500 Palestinians from different areas in the West Bank and martyrdom of six Palestinians in early age , and the Israeli army's attack and the arrests and raids occur every late in the Night.

Since these campaign began HSA has decided to open an emergency center at the association's headquarters throughout the night and the day and for 24 hours a day, and it is worth mentioning that the beginnings of association were by paramedics.

HSA Has this initiative just incase there are injuries and because the center s near to the city center and the old city of Nablus, with providing first-aid kits and recruiting volunteers and paramedics , also following the news.

Training course and prepare animator for summer camps BAFA

HSA hold BAFA course to prepare and train animators at the association's headquarters in the city of Nablus, and with the participation of nearly 30 participants from several cities in Palestine, and the activities lasted for an entire week , and included several training , workshops, discussions and exercises of handicraft skills and Games, theater, storyteller and these activities were given by trainers from HSA.

At the end of the course, certificates were distributed to the participants who expressed their happiness to participate and of what they have gained from the experience of these activities.

Networking

Wajdi Yaesh the General Director HSA traveled to Europe and held several meetings with OMJ Association and CEMEA to speak and coordinate future projects and youth exchanges and trainings, Also Mr. Wajdi Yaesh participated in training in the city of Berlin and has visited several institutions with the aim of

Networking and Identification of HSA

A Delegation from Interfaith Peace builders visiting HSA

A group of 50 Americans from Interfaith Peace Builders visited the association.

The group was welcomed by Human Supporters staff; they had a tour in the Old City of Nablus and saw the historical sites, and some stories of the invasion in Nablus.

Then we took them back to the association where we talked to them about the activities and our goals, then we showed them some documentaries about the occupation, and about the Israeli invasion to Nablus in particular.

After all the Dabkeh band did a performance to the delegation.

The group was happy about the information and the knowledge that they gained from this visit, and they were impressed by what the association give to the community.

Summer Camp :Living Together 7th
&LittleCop summer camp

During this month HSA started implementation of all activities of the summer camp (Live Together) the seventh, in the headquarters of HSA at the city of Nablus.

It is well known that the Human Supporters Association are annually do this summer camp which aims to nearly 60 children from different religions (Islam, Christianity, and the Samaritan), in this camp the children of all religions in a summer camp which last for two weeks, there will be many activities lie games and handicrafts and dance, and during this period the children to identify those religions and there is no difference between them despite the different religions.

And in the end of the summer camp there was a closing ceremony at the end of the summer camp, where the ceremony included a theatrical performance and Dabke conducted by the kids, and a gallery of hand work by the children during the camp

At the same time, another summer camp, "The Little Cop" started in the Nablus Governorate Police Directorate in cooperation with the Palestinian Network for the Rights of the Child in order to strengthen and consolidate the concept of partnership and

community police to spread the culture of security among children and build a generation and fortified security conscious and morally able to bear responsibility.
