WINTER CAMP (A SMILE FOR A FUTURE)

By the end of 2014 , 2 of HSA volunteers went to France for EVS with our partners there. Ameer Irsheed & Dyala Abu Zaror will stay in France for a year , during this year they will learn new skills , the language , and they will teach arabic , Dabkeh dance , & will perform it . also it worth to mention that they will be responsible to spread the word about the Palestinain-Israeli conflict , and aware the people about the daily life in Palestine under the occupation. We wish for them best of luck.

In 13th of January the activities of the yearly winter camp were started and lasted for a whole week.

This winter camp targeted almost 35 kids boys and girls of age 8-13 years old .

The activities included Photography , theater , educational games , and handcrafts , all these activities took a place in the headquarter of Human Supporters Association .

The winter camp was ended by a final ceremony that included an

exhibition of photos that were taken by kids , and the handcraft also the theater group did a performance as well .

School Support

School Support started in beginning of February 2015. This time 80 kids boys & girls of age 8-11 years old were targeted for the program. for 4 months the kids will get classes in Maths , Arabic , and English in a way that can develop their educational and psychological level. this project is on for more than 4 years and ech year more kids want to join , & the feedback is always positive from the families and schools.

Theater training

During one week a theater workshops was done by the French volunteer Mr. Hugo. In these workshops the volunteers practiced theater , fake fighting , juggling and group games. Everybody enjoyed it and they were happy with their new skills especially juggling :).

Animators & facilitators training

New trainees and volunteers joined HSA , and for that Human Supporters Association started to train them and giving them workshops in animation & leading & organising groups.

These workshops are taking a place in the head quarters of HSA 3 days a week, and given by the Human Supporters Association's staff.

Nayef Qasas 21 years old from Nablus a volunteer in HSA since 2009. he took a part in many activities , and is a member in the Dabkeh Band of the association.
Nayef: “ in HSA i consider myself at home , i have amazing family & friends and i learned a lot ”.
