Voice of kids

An intensive training has given in order to enable the kids to make interviews and to conduct journalistic investigations during the period of June/ July 2010. The psychologists of the project gave them exercises about the time management during the last session of May, Now, they are in a process of doing the final tests in school, as we are hoping they will do as best as they can.

External workshops:

In 8th May 2010, a number of workshops conducted by the volunteer Mr.Ahmad Al Arboudi, he presented a play with 4 volunteers from youth straggle union organization , the play displayed at Azmut Women's Association in Azmut village, where more than 100 girls aged 6-12 years old attended the event.

Besides the play, a number of social activities took a place in order to increase the girl's awareness about a significance moral values such as tolerance and other noble attitudes. During the 3- hour's functions, other activities such as singing, dancing and reading stories, were carried out in the addition of the psychological support activities. Moreover Ahmed conducted a training of other organizations members on how to deal with children and provide psychosocial support for the children near to their centre in Salfet governorate.

Wing day in Palestine

Youth, teenagers from ages 12 and over, from NGOz youth centres of refugee camps, and other youth organization were all invited to take part in the wing day action, where Balloons flew and some other creative activities, for example singing and dancing send out their messages to the other side and the whole world.

The action organized by union of youth centres refugee camps- Palestine with the support of international volunteers. 20 teenagers from our side participated in the event, which took a place at Alram at one side of the apartheid wall. All the participants wrote their messages, dreams on the balloons and set them free.

Dream day

On May 16th, 2010, HSA Specialists, Mr. Raed Kukhun and Mr. Ali Alnobani carried out a drama workshop. Due to the activities nature, children named the workshop “Dream Day” as it motivated them to use their imagination and think of nice dreams in a free mind. 10 children from 10 – 13 years old participated in the activity; those children are enrolled in the theatre activities and have participated in many other activities.
